

## **MEDICINE (in English Language)**

### **MASTER'S DEGREE PROGRAM (AFTER COMPLETED SECONDARY EDUCATION)**

The program aims at offering theoretical knowledge and practical skills through highly qualified teaching combined with opportunity to exercise it in practice in the most modern preclinical and clinical medical complexes in Bulgaria. The training course in Medicine is conducted on the basis of a curriculum which is made according to the Unified state requirements for the Master's Degree in the specialty "Medical Doctor" and the qualification of a General Practitioner. The curriculum also satisfies the regulations of the Directive 2005/36/EC of October, 20, 2007 and its amendment in Directive 2013/55/EC of November, 20, 2013, on the recognition of the professional qualifications of medical doctors in Europe. The study course duration is 6 years (12 semesters).

### **APPLICATION**

FOR THE ACADEMIC YEAR:	<b>2021 / 2022</b>
APPLICATION:	AUGUST, 10, 2021 - AUGUST, 31, 2021 Students' Admission Office, SU, Rectorate
APPLICATION FEE:	60 BGN (to be paid in cash at SU, prior to the exam dates)
ENTRANCE EXAM REQUIRED:	TEST IN CHEMISTRY AND BIOLOGY IN ENGLISH LANGUAGE
2 EXAMINATION DATES:	<b>SEPTEMBER, 08, 2021 / SEPTEMBER, 13, 2021</b>
TEST RESULTS:	SEPTEMBER, 12, 2021 / SEPTEMBER, 17, 2021
RANKING:	SEPTEMBER, 21, 2021
ENROLLMENT:	SEPTEMBER, 23 – SEPTEMBER, 30, 2021
ANNUAL TUITION FEE	<b>7700 EUR</b>
ACADEMIC YEAR STARTS:	OCTOBER, 1, 2021

A combined written admission exam has to be passed, consisting of two components – a test in Chemistry, and a test in Biology. The examination is carried out in English. The topics of Chemistry and Biology cover the material taught in secondary school. The duration of the admission exam is four astronomic hours. Only applicants who have passed both components of the exam are eligible for ranking. The components contribute to the final grade as follows: 50 % Chemistry, 50 % Biology. The applicants can sit for the entrance exam – tests in chemistry and biology in English language once or twice (optional) and they will be ranked on the basis of their results. Ranking will be done in descending order of the grades from the admission exams. For applicants who have passed the exams on the two dates, the higher grade is considered for ranking. The first 50 candidates from the ranking list will be admitted.

### **PREPARATORY COURSES**

The Medical faculty of SU organizes short-term preparatory course in Chemistry and Biology:  
September, 02, 2021 – September, 03, 2021 /2 days/ – the fee is 500 BGN.

The courses will take place at the building of Hospital Lozenetz, Hall № 501, 1407 Sofia, 1 Kozyak Str.
